

Group Dining Guide

This guide is designed to help make your group party or celebration with us a success. We strongly suggest a “family style” dining experience as this is the way in which traditional Asian food is presented. Please let us know if you have any questions to sales@aziarestaurants.com
We understand the nature of booking and organizing groups that there are situations which arise that are beyond your control, however we have put our policies in place as we need to adjust our food ordering and staffing. We strongly request that you give us as much notice to any changes in your booking as possible so we can plan your event to be a success.

MENU SELECTION AND GUARANTEED NUMBERS

Any group over 20 guests we require them to choose from our group menu. Each group will be asked to select a menu for the total number of their party.

Please keep in mind we are more than happy to adjust our menus to accommodate your special dietary needs if required.

A guaranteed number of guests is required by 12pm TWO days prior to your event. Once this final number is set and confirmed to us this is the number we will use as a guarantee. If on the day of your event and the number of your guests arriving is less than the guaranteed number you will still be charged the confirmed number of guests you gave us (FOOD ONLY)
